**Oui :** donnée validée postérieure à l'année 2000

**A :** donnée Ancienne (antérieure à 2000)

NOM Commune

PRUNET

| Nom Plante   | Validité observation |     |       |
|--|----------------------|-----|-------|
|  | A                    | oui | Total |
| Acer campestre L.  |                      | 1   | 1     |
| Achillea millefolium L.  |                      | 1   | 1     |
| Agrimonia eupatoria L.   |                      | 1   | 1     |
| Ajuga chamaepitys (L.) Schreb. subsp. chamaepitys  |                      | 1   | 1     |
| Amaranthus blitum L. subsp. emarginatus (Moq. ex Uline & W.L.Bray) Carretero, Muñoz Garm. & Pedrol |                      | 1   | 1     |
| Amaranthus deflexus L.   |                      | 1   | 1     |
| Amaranthus graecizans L. subsp. silvestris (Vill.) Brenan  |                      | 1   | 1     |
| Amaranthus hybridus L.   |                      | 1   | 1     |
| Amaranthus retroflexus L.  |                      | 1   | 1     |
| Ammi majus L.  |                      | 1   | 1     |
| Anagallis arvensis L.  |                      | 1   | 1     |
| Anagallis foemina Mill.  |                      | 1   | 1     |
| Anthemis altissima L.  |                      | 1   | 1     |
| Anthoxanthum odoratum L. subsp. odoratum   |                      | 1   | 1     |
| Artemisia vulgaris L.  |                      | 1   | 1     |
| Arum italicum Mill.  |                      | 1   | 1     |
| Asparagus officinalis L. subsp. officinalis  |                      | 1   | 1     |
| Atriplex patula L. subsp. patula   |                      | 1   | 1     |
| Atriplex prostrata Boucher ex DC.  |                      | 1   | 1     |
| Avena barbata Link subsp. barbata  |                      | 1   | 1     |
| Avena sativa L. subsp. sterilis  |                      | 1   | 1     |
| Ballota nigra L. subsp. meridionalis (Bég.) Bég.   |                      | 1   | 1     |
| Barbarea vulgaris R.Br. subsp. vulgaris  |                      | 1   | 1     |
| Bellis perennis L.   |                      | 1   | 1     |
| Beta vulgaris L.   |                      | 1   | 1     |
| Bidens tripartita L. subsp. tripartita   |                      | 1   | 1     |
| Bituminaria bituminosa (L.) C.H.Stirt.   |                      | 1   | 1     |
| Blackstonia perfoliata (L.) Huds. subsp. perfoliata  |                      | 1   | 1     |
| Brachypodium pinnatum (L.) P.Beauv. subsp. rupestre (Host) Schübler & G.Martens                    |                      | 1   | 1     |
| Brassica nigra (L.) W.D.J.Koch   |                      | 1   | 1     |
| Bromus madritensis L.  |                      | 1   | 1     |
| Bromus racemosus L. subsp. commutatus Maire & Weiller  |                      | 1   | 1     |
| Bryonia dioica Jacq.   |                      | 1   | 1     |
| Calystegia sepium (L.) R.Br. subsp. sepium   |                      | 1   | 1     |
| Capsella bursa-pastoris (L.) Medik. subsp. bursa-pastoris  |                      | 1   | 1     |
| Cardamine hirsuta L.   |                      | 1   | 1     |
| Carduus tenuiflorus Curtis   |                      | 1   | 1     |
| Carex flacca Schreb. subsp. flacca   |                      | 1   | 1     |
| Carex hirta L.   |                      | 1   | 1     |
| Carex pendula Huds.  |                      | 1   | 1     |
| Catapodium rigidum (L.) C.E.Hubb. subsp. rigidum   |                      | 1   | 1     |
| Centaurea jacea L. subsp. timbalii (Martrin-Donos) Braun-Blanq.                                    |                      | 1   | 1     |
| Centaurea pratensis Thuill. subsp. decipiens (Thuill.) Corb.                                       |                      | 1   | 1     |
| Centaureum erythraea Rafn subsp. erythraea   |                      | 1   | 1     |
| Cerastium fontanum Baumg. subsp. vulgare (Hartm.) Greuter & Burdet                                 |                      | 1   | 1     |
| Cerastium glomeratum Thuill.   |                      | 1   | 1     |
| Chenopodium album L.   |                      | 1   | 1     |
| Chenopodium polyspermum L.   |                      | 1   | 1     |
| Chenopodium rubrum L.  |                      | 1   | 1     |
| Cichorium intybus L. subsp. intybus  |                      | 1   | 1     |
| Cirsium arvense (L.) Scop.   |                      | 1   | 1     |
| Cirsium eriophorum (L.) Scop.  |                      | 1   | 1     |
| Cirsium vulgare (Savi) Ten.  |                      | 1   | 1     |
| Clematis vitalba L.  |                      | 1   | 1     |
| Clinopodium vulgare L. subsp. vulgare  |                      | 1   | 1     |
| Convolvulus arvensis L. subsp. arvensis  |                      | 1   | 1     |
| Conyza canadensis (L.) Cronquist   |                      | 1   | 1     |
| Conyza sumatrensis (Retz.) E.Walker  |                      | 1   | 1     |
| Cornus sanguinea L. subsp. sanguinea   |                      | 1   | 1     |
| Corylus avellana L.  |                      | 1   | 1     |
| Crataegus monogyna Jacq.   |                      | 1   | 1     |
| Crepis setosa Haller f.  |                      | 1   | 1     |
| Cruciata laevipes Opiz   |                      | 1   | 1     |
| Cydonia oblonga Mill.  |                      | 1   | 1     |
